

NAVIGATOR - 2007

THURSDAY, TERM 1, APRIL 4, 2007

PRINCIPAL'S COMMENT

Personal Attributes Reports: The reports pertaining to your child's attitudes, behaviour, performance to date and engagement with the learning process for Term 1 were distributed to students on Thursday 29th March. Please ensure you review and discuss the findings on the report with your child and don't hesitate to contact teaching staff to discuss further if you desire.

Parent / Teacher interviews are to be held on **Tuesday April 3rd**. It is imperative that you meet all the teachers of your child to discuss his/her scholastic progress.

Winter Uniforms: Parents are reminded that all students must have the correct Winter Uniform ready to start Term 2. Please refer to your child's 2007 diary for details or contact the school for information to be sent out to you. Our Uniform Shop sells all main components of the uniform. Note that for Yr 10,11,12 boys' **long tailored navy blue pants are to be worn with a school tie** in Terms 2 & 3. For Yrs 10,11,12 girls' long tailored navy blue slacks may be worn. Year 10, 11 and 12 **girls must wear the formal tie** in Terms 2 & 3. **Also please note that the plain black leather/non-porous fully enclosed slip-on shoes must only be worn with the formal uniform and with white ankle socks or black stockings.**

***Please note the following clothing articles are UNACCEPTABLE:**

Beanies; denim jeans; cargo pants; track pants with the formal shirt/blouse; undershirts; black coloured slacks or track pants, non-school track pants.

MP3 or Music Players: Please note that students are not to bring music players to school. These items are distracting from the core business of learning and create major issues around theft etc. These items are not part of our school culture and must be left at home. These items will be removed from students if the student chooses to ignore this directive.

Jewellery: Students are reminded that aside from simple small sleepers, small studs and a small signet ring all other jewellery is unacceptable. Health and safety factors for students in and around our school and with school activities require all students to adhere strictly to this policy.

StarQuest: What an outstanding night of enormous talent! With our students showcasing their many and varied talents all in the audience were very impressed. Congratulations go to all students who participated or supported the event and to our highly talented staff for their continued professionalism and commitment for our students. Who will forget the staff item at the end!! Full marks to all who contributed!

I would like to take this opportunity to wish all students, staff and members of the school community a restful and safe Easter break. See you all in Term 2.

Ross Mackay
Principal

FROM THE DEPUTIES

All students received their report cards last Thursday and we trust that parents and teachers had productive meetings on Tuesday. We encourage parents with any concerns or questions about their child's progress to contact teachers.

Year 11 and 12 student results will be scrutinised and academic review interviews will be undertaken early in term 2. The interviews are part of our on-going processes aimed at students achieving the highest levels of academic achievement. This process ensures that students will exit secondary school with the appropriate qualifications.

A reminder that Monday 16 April is a Student Free Day and classes resume on Tuesday 17 April. There are some big events to look forward to in Term 2. These include the AFL tour to Melbourne, Year 7 into 8 Parent Night, quite a few excursions and field trips and of course QCS practise for our seniors just before the first Exam Blocks for 2007.

The school's ANZAC Day assembly will be held on Monday 23 April in Lesson 1 with Year 12 and Year 8 in attendance. The school captains will represent the school at the dawn ceremony at Caboolture on ANZAC Day.

We wish all our students and parents a happy and refreshing Easter vacation and look forward to a busy and productive term 2.

From
Rae Ellis, Adam Colley, Jenny Bullen & Sean Bennett.

STUDENT SERVICES

Students arriving at school late must go to **Student Services** to collect a late slip on arrival. If students do not obtain a late slip they are entered as a whole day's absence (which could indicate truancy) and a text message is sent to parent / guardian.

A short note from parent /guardian to authorise their student's late arrival ensures the records reflect an authorised late arrival. Parents can also leave a message authorising a late arrival on the **student absence line 3385 4581 or 3385 4523**.

Also any students requiring an Early Departure Slip must bring a note to **Student Services** in the morning to receive their slip.

Karen & Leanne
Student Services

Absence Line – 3385 4523 / 3385 4581

Administration Office Hours

**8.00am – 4.00pm Monday,
Wednesday, Thursday, Friday**

8.00am to 3.30pm Tuesday

Please pay all money to the Cashier's Office.

SCIENCE DEPARTMENT

Students in need of extra help can come along to free tutorials for **Biology and Chemistry**. These will be run on the following days:

Biology: Wednesday 2.45 – 3.30pm
Chemistry: Monday and Thursday 2.45 – 3.30pm

Students need to meet at the Freeman staffroom at the start of each session. This is a great way for students to access specialist teachers in their subject areas for extra support.

Training for the **RACI Titration Competition** is also now underway every Thursday in the Science Block. Our titration teams performed brilliantly last year and we will be building upon this success in 2007. Any year 10 – 12 student who would like to be involved can see Mrs Volling in the Freeman staffroom for further details.

Registrations are being called for the **RACI Chemistry competition** to be held during July. **Extension students and Senior Chemistry** students are **expected to participate** as part of their curriculum. Students need to return permission slips and the **\$4 entry fee** to the cashier by **27 April**.
