## PRINCIPAL'S COMMENT

It was with great pride that Mr Greg McMahon (HOD Lifestyle), Jessica Van Grinsven, Cameron Edwards and myself travelled to Parliament House last Wednesday to participate in a Premier's Forum. Our students were required to give an address, which they did highly skilfully and professionally. They were in effect representing all students and state education in regard to the excellent outcomes achieved in state education as well as Narangba Valley State High School. The students were well prepared with the support of Ms Elizabeth Kingston (HOD English) in assisting with speech development and Mr McMahon who had supported the students in

preparing a PowerPoint presentation. You would have been so proud of them as they represented all students at our school in such an exemplary manner!

Our very active Leo Club is off and running again for 2007. They have some outstanding leadership with the support of Ms Jan Evans from the Narangba Lions Club. The Narangba Lions Club do a great job of supporting the youth of the area and the Leo concept encourages youth through the school to develop personal and social skills to enhance our community now and in the future. We are really lucky to have such a committed group of students who are planning some great activities for the year and are also having a lot of fun in the process. Some activities include a visit to the Children's Ward at the Redcliffe Hospital and the hosting of a Senior Citizens Morning Tea at our newly formed restaurant "eNVy". Charities receiving the benefit of the Leo Club activities include the Royal Flying Doctor Service and the Riding for the Disabled organisation at Burpengary. Any student who would like to join this group would be welcomed with open arms. Please see Jessica Van

Grinsven our female School Captain for more information.

Have a great fortnight!

## STUDENT SERVICES

Students arriving at school late must go to **Student Services** to collect a late slip on arrival. If students do not obtain a late slip they are entered as a whole day's absence (which could indicate truancy) and a text message is sent to parent / guardian.

A short note from parent /guardian to authorise their student's late arrival ensures the records reflect an authorised late arrival. Parents can also leave a message authorising a late arrival on the **student absence line 3385 4581 or 3385 4523**.

Also any students requiring an Early Departure Slip must bring a note to **Student Services** in the morning to receive their slip.

## ENGLISH DEPARTMENT NEWS

By now all students should have bought the homework books for English. These are available for \$11.00 from the uniform shop at school. The books required are as follows:

Year 8 English Rules 1                      Year 9 English Rules 2  
Year 10 English Rules 3                      Year 11 Senior Skills

It is hoped that every student has one of these, as they are an invaluable aid in the students' learning of grammar, punctuation, vocabulary and spelling rules.

Teachers will teach the material needed to complete the homework sheet in the first English lesson each week and the work will be corrected in the last lesson of that week.

## SCHOOL CHAPLAIN

Youth groups provide alternative social communities to those at school where students can safely have a great time in a drug and alcohol free environment on the weekends. Most youth groups have a mix of purely social events, and events where the kids can receive support for the issues teenagers face and ask their own questions about life, ethics and faith issues. This mix of events provide for the different interest levels of individual youth. I have personally seen quite a number of NVSHS join a youth group and be really positively influenced by the fun and discussions and young adults helping them in their life situations. So if your kids are looking for something fun to do on Friday nights, or need some positive role models to influence them, a youth group is a great option for them. There are three in Narangba, one in Burpengary and quite a number in Morayfield and Caboolture. So if you are interested in finding out more about local youth groups I have put together information packs, which contain the details of all the local ones. Please email me at [ljeny2@eq.edu.au](mailto:ljeny2@eq.edu.au) or call 0421182935
