

To set up a Student Account

Go to:

<https://squareup.com/gift/MLG2AZ30XGTT2/order>

Follow the instructions for purchasing the eGift card.

You will get an email with the card number and a link to check the balance and reload more funds onto the account as needed. It is suggested to save the page with the link to your home screen on the device you'll use to top up.

Let us know the student's name and the card number:

- Email Operations Manager Shannon at opsmanagervshs@gmail.com
- Call the Canteen on 3385 4515 during school hours.
- Print the email and send it to school with the student, or just send a note with them with the eGift card number.

The student uses the account by letting staff know their name and showing their student ID if asked to do so. The email you use when purchasing the eGift card will get sent a receipt with every purchase with the total left on the card.
