2024 STUDENT RESOURCE SCHEME INFORMATION

Dear Parent/Carer

Included in this Enrolment Pack is the **Student Resource Scheme Participation Form**. This form is standardised throughout state schooling and is for the **duration of your student's enrolment at the school**.

A parent/carer's participation or non-participation in the scheme will continue as per their previously completed Participation Agreement Form. **A parent/carer can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.**

As a service to assist parents/carers with the cost of providing educational resources, Narangba Valley State High School has chosen to operate a Student Resource Scheme (the Scheme). The purpose of the Scheme is to provide parents/carers with a cost effective alternative to purchasing textbooks, resources, consumables and/or materials from elsewhere, through reduced prices gained from the school's bulk purchasing processes. Our scheme is reviewed and approved by the P & C Association annually.

A Student Resource Scheme enables a parent/carer to enter into written agreement with the school that, in return for payment of a specified annual participation fee, provides for the participating student's temporary use of prescribed textbooks and other resources and/or for the purchase by the parent of consumables and materials for the student's use. Participation in the Scheme is voluntary, and no obligation is placed on a parent/carer to participate. A parent/carer's decision to participate is based on consideration of the value afforded by the Scheme. The Narangba Valley State High School Scheme provides excellent value for money. A comprehensive list of what the Student Resource Scheme participation fee provides for your student is available from our [schoolwebsite](#). **2024 breakdowns and costing will be available later in the year.** The breakdowns and costing will be similar to 2023. **Please refer to your student's timetable to enable you to reference the resources provided for your student according to the subjects studied.**

Points for your attention:

*A parent/carer who chooses **NOT** to participate in the scheme is responsible for providing the student with all items that would otherwise be provided to the student by the scheme as detailed on the [Year 12 Student Resource Scheme Breakdown](#) to enable the student to engage with the curriculum.*

As the scheme operates for the benefit of participating parents/carers and is funded solely from participation fees, resources provided by the scheme will not be issued to students whose parents/carers choose not to participate in the scheme.

Whilst the cost of providing instruction, administration and facilities for the education of a student at a state school is met by the State, a parent/carer is directly responsible for providing the student with text books and other resources for a student's use while attending school. The Student Resource Scheme is separate to and distinct from a request for a voluntary financial contribution. Assistance is provided in the form of a Textbook and Resource Allowance which is paid once a calendar year through the school. This is to offset fees associated with participation in the school's Student Resource Scheme. Current allowance rates are available from <https://education.qld.gov.au/about-us/budgets-funding-grants/grants/parents-and-students/textbook-resource-allowance>.

Please ensure you have read the full terms and conditions relating to the Student Resource Scheme located on the back of the Participation Form. All parents/carers are required to complete the relevant section (both participants and non-participants) indicating your preference. **Participants of the Student Resource Scheme are required to fulfil their full financial obligations.**

If possible, we ask for all parents/carers to pay fees before the commencement of the 2024 school year so that resources may be purchased early and discounts secured through early payment and bulk ordering. All students will then have the opportunity of accessing their resources when they commence the school year.

Invoices and a full breakdown of resources provided for 2024 will be issued later in the year. Invoices and information will be issued early in Term 1 for Student Resource Scheme Elective Subjects that attract an additional charge. Anyone experiencing financial difficulty at this time and wishing to pay the Student Resource Scheme over an extended period of time are asked to make an appointment with the Business Manager (Finance) in the school Administration building or phone the school on 3385 4555 and arrange a time to speak with the Business Manager (Finance).

QParents

Secure online parent portal

QParents

Great news: Narangba Valley State High School will soon be providing our parent community with the opportunity to register for QParents.

The QParents web and mobile application provides a more convenient, easier way for parents and legal guardians of Queensland state school students to interact with their child's school. Parents will have secure, online access to their child's student information, anytime, anywhere, through a smartphone, tablet or computer.

QParents allows parents to connect instantly with their child's school to access and manage their child's student information, including:

- Academic report cards
- Class timetables
- Viewing and updating personal student details, including medical conditions and address
- Enrolment details
- Upcoming events list showing school events, excursions and incursions.

QParents will assist both staff and parents in sharing and responding to information in an efficient and effective way.

It won't replace the traditional ways you communicate with our school, but it will provide another way to communicate with us.

The benefits of QParents

Convenience and time savings for parents

- Parents can view or update their child's details
- Secure 24/7 online access.
- Available anytime, anywhere — access QParents on your smart phone, tablet or computer on a web browser or using the app (iPhone or Android).

Greater transparency of information

- Improves accountability between parents and schools by providing parents with timely access to their child's information online.
- Allows parents to engage more deeply in their child's schooling.

Improved administration efficiencies for schools

- Allows schools to streamline their administrative processes and cut down on printing.

What is a QParents Account Owner (QPAO)?

The school will nominate parents or legal guardians for each student to be QParents Account Owners (QPAOs). QPAOs will be able to register for QParents to access and manage the student's information online, view the student's information and submit requests to update some of the student's details.

QPAOs will also be able to invite other people (such as another family member), to view the student's information. Once invited, these people can register for QParents as "delegated viewers". A delegated viewer can see the student's details, but cannot make updates.

Registering for QParents

You will receive an invitation email or letter from us containing your unique invitation code (date to be advised). Simply follow the instructions in that email or letter to complete the QParents account registration process. Initial registration and addition of students to your account must be done on a desktop or laptop computer. Once registered, you will then be able to access QParents using your mobile device (via web browser or by downloading the iPhone or Android App).

If you do not want to register, you may advise us not to send you any more invitations, and your child's student information will not be available to anyone through QParents. Or, if you want another parent to be the QPAO, you can advise us and we will send them an invitation email or letter with their own unique invitation code.

Identity verification

To obtain full access to student information, as part of their QParents registration users must complete an identity verification process. QParents offers two options for identity verification – online and offline.

For fully online verification (the fastest option), you will need to verify 100 points of the following identity documents online:

Australian Passport	50 pts	Australian Marriage Certificate	40 pts
Australian Driver Licence	50 pts	Australian Citizenship Certificate	40 pts
Australian Birth Certificate	50 pts	Change of Name Certificate	40 pts
Medicare Card	20 pts	Australian Visa (foreign passports)	20 pts

If you cannot verify 100 points of the above ID documents online, you may still register for QParents, but you will need to attend the school to verify documentation in person after you have registered online.

Full instructions on how to verify your documents and what you may need to bring to the school will be provided as part of the invitation and registration process.

If you don't have sufficient documents, or are unsure, you may still be able to register. Please contact the school or 13 QGOV to discuss your options.

For more information regarding the online identity verification process, see:

<https://qparents.qld.edu.au/#/identityInformation> .

Please note that QParents does not maintain copies or records of any identity documents used for account verification, either online or offline.

Where does the information about my child come from?

All of the information that is presented in QParents comes from the IT system that is used by all Queensland state schools. Schools will continue to manage student information in this system, and this information will be extracted and presented in QParents.

Will my child's information be secure?

Yes. QParents is a secure portal that meets strict industry standards. Only people with the right to access information about their child will be given an account; no one else.

If you don't want to register for QParents, your account will not be created and your child's information will not be made available through QParents.

Application to enrol in a Queensland state school

This sheet contains information on how to complete the Application for student enrolment form (SEF-1 Version 8).

Entitlement to enrolment

Under the *Education (General Provisions) Act 2006 (Qld)* a state school must enrol a prospective student if they are entitled to enrolment. While not exhaustive, the following matters may affect a prospective student's entitlement to enrol in a state school:

- if the school has a School Enrolment Management Plan or an Enrolment Eligibility Plan (enrolment is subject to eligibility under the plan)
- the applicant is a prospective mature age student (the applicant can only apply for enrolment at a mature age state school and will be subject to a satisfactory criminal history check, or as a student in a program of distance education. All prospective mature age students must have a remaining allocation of state education.)
- the prospective student is not of correct age for enrolment (relates to Preparatory Year and Years 1 to 6)
- the prospective student has been excluded, or is subject to suspension from a state school at the time of the application
- the school principal reasonably believes that the prospective student presents an unacceptable risk to the safety or wellbeing of members of the school community (application is referred to the Director-General)
- the school is a state special school and the prospective student does not meet the criteria for enrolment in a special school
- the proposed enrolment requires approval as part of a flexible arrangement under s.183 of the *Education (General Provisions) Act 2006 (Qld)*, and the arrangement has not yet been approved
- the prospective student is not an Australian resident or citizen or the child of an Australian permanent resident or citizen (visa restrictions may apply, fees may be charged, in some cases legislation requires that the prospective student must obtain approval from the Chief Executive via Education Queensland International (EQI) to enrol)
- the school does not offer the year level that the prospective student should be enrolled in
- the prospective student has no remaining semester allocation of state education. Enrolment cannot proceed until additional semesters are applied for by the prospective student (or parent on their behalf) and granted.

Prospective student

A prospective student is a person who has applied to enrol at a state school but who has not yet been accepted for enrolment.

Parent's occupation and education

All parents across Australia, no matter which school their child attends, are asked to provide information about family background (answering this question is optional). The main purpose of collecting this information is to promote an education system which is fair for all Australian students regardless of their background.

Court Orders

Any court orders concerning the prospective student's welfare, safety or parenting arrangements should be provided to the school, and the school should also be provided with any new or updated orders.

Name on enrolment form

A prospective student should be enrolled under their legal name as per their birth certificate. There is provision to also record a preferred family and/or given name. The preferred name will be used on internal school documents such as class rolls. The legal name will appear on semester reports unless there is a specific request to use the preferred name only. This request can come from parents/carers or the student (if the student is independent/mature age).

Gender

Information about gender is supplied to the Federal Government to comply with State funding agreements. The gender category with which a person identifies may not match the sex they were assigned at birth. There is no requirement for a student's gender recorded on this form to align with the sex shown on their birth certificate or passport.

Religious Instruction

Religious instruction is a program approved and provided by a religious denomination or religious society. Other instruction relates to part of a subject area that has been covered within the curriculum and may include, but is not limited to, personal research and/or assignments, revision of class work, and wider reading. Information about religious instruction available at the school, and about other instruction, is provided by the school at the time of enrolment and on the school's website.

Student Resource Scheme - Participation Agreement Form

The Student Resource Scheme

The Student Resource Scheme (SRS) is a user-charging scheme operated by schools to provide parents with a mechanism to access individual student resources that are not funded by the government.

Government funding for schools does not extend to individual student resources and equipment for their personal use or consumption. Supply of these items, such as textbooks and personal laptops/iPads, is the responsibility of the parent.

The objective of the scheme is to provide parents a convenient and cost-effective alternative to individual supply of resources for their students. Participation in the SRS is optional, and no obligation is placed on a parent to participate.

Terms and conditions for participating in the scheme are provided on the reverse side of the form. Information is also provided on the Textbook and Resource Allowance (TRA) where applicable.

This Participation Agreement Form applies for the duration of a student's enrolment at the school, however parents who are participating in the scheme can choose to opt out from the SRS in future years by completing a new Participation Agreement Form. Any new Participation Agreement Form submitted annually and received by the school will supersede the previous form lodged.

Parents pay the annual participation fee in accordance with the selected payment arrangement. If a student joins the school mid-year, a pro-rata participation fee may apply.

Parents not participating in the scheme must provide their student with all items that would otherwise be provided by the scheme as detailed in the information provided by the school. Parents can choose to join the SRS in future years by completing a new Participation Agreement Form.

To assist schools in managing and administering the scheme, parents are requested to complete the Participation section of this form and return it to the school.

If parents have not completed and returned the form before the due date indicated by the school in the SRS Annual Parent Information documents, the school will take the view that the parent does not wish to participate.

Payment

On agreeing to participate in the SRS, a parent agrees to pay the participation fee as advised and invoiced by the school. For families experiencing financial hardship, please contact the school as soon as possible to discuss options available.

Participation

YES I wish to participate in the Student Resource Scheme. I have read and understand the Terms and Conditions of the scheme (see reverse) and agree to abide by them and to pay the annual participation fee in accordance with the selected payment arrangement. I understand that I can opt out of participation in the SRS in any year by completing a new Participation Agreement Form.

NO I have read the terms and conditions and I do not wish to participate in the Student Resource Scheme. I understand I must provide my child with all items that would otherwise be provided by the SRS as detailed in the information provided by the school. I understand that I can choose to join the SRS in future years by completing a new Participation Agreement Form.

Terms and Conditions

Definition

1. Reference to a "parent" is in accordance with the definition in the *Education (General Provisions) Act 2006* and refers equally to an independent student.

Purpose of the SRS

2. In accordance with the Act, the cost of providing instruction, administration and facilities for the education of students enrolled at state schools who are Australian citizens or permanent residents, or children of Australian citizens or permanent residents, is met by the State.
3. Parents are directly responsible for providing textbooks and other personal resources for their children while attending school.
4. The SRS enables a parent to enter into an agreement with the school to provide the resources as advised by the school for a specified annual participation fee.

Participation in the SRS

5. Participation in the SRS is optional and parents are under no obligation to participate.
6. The school will provide parents with a list of resources supplied by the SRS to enable parents to assess the cost effectiveness of participation.
7. Parents indicate whether or not they wish to participate in the SRS by completing this Participation Agreement Form.
8. Parents must complete and sign the Participation Agreement Form and return it to the school by the advertised date.
9. This agreement is for the duration of the student's enrolment at the school, unless a new Participation Agreement Form is completed.
10. Parents are given the option annually to choose whether to participate in the SRS or not by completing this form.
11. Where a parent signs up to participate in the SRS they are agreeing to pay the annual participation fee for the items provided by the SRS.
12. Payment of the participation fee implies acceptance of the SRS including the Terms and Conditions irrespective of whether or not the signed form has been returned.
13. Where a student starts at the school during the school year, the parent may be entitled to pay a pro-rata participation fee to participate based on a 40-week school year.
14. Where a participation fee has been paid and a student leaves the school during the year, the school must determine if the parent is eligible for a pro-rata refund. This will also take into account any pro-rata of the Textbook and Resource Allowance (TRA) (see Additional Information regarding TRA eligibility) and any outstanding SRS debts (including any debts from damaged or non-returned items). Where the cost of outstanding debts is higher than the calculated refund, the parent is liable to pay this balance of funds.

Non-Participation in the SRS

15. Parents who choose not to participate in the SRS are responsible for providing their student with all items that would otherwise be provided by the SRS to enable their student to engage with the curriculum.
16. The school will provide non-participating parents with a list of resources the parents are required to supply for their child.
17. All items included in the SRS must be able to be independently sourced, purchased and supplied by parents who choose not to participate in the SRS.
18. As the SRS operates for the benefit of participating parents and is funded from participation fees, SRS resources will not be issued to students whose parents choose not to participate in the SRS.

The Resources

19. SRS funds received by the school will only be expended on student resources outlined in the school's SRS and will not be expended on other items or used to raise funds for other purposes.
20. In return for payment of the participation fee, the SRS will provide the participating student with the entire package of resources for the specified participation fee. It is not available in parts unless specifically provided for by the school in the fee structure.
21. The resources, as determined and advised by the school may be:
 - retained by the student and used at their discretion; or
 - used/consumed by the student in the classroom; or

- hired to the student for their personal use for a specified period of time.
22. All SRS resources hired to a student for their temporary use remain the property of the school. The resources must be returned by the agreed date or if the student leaves the school.
 23. Parents are responsible for ensuring that any hired SRS resources provided for their child's temporary use are kept in good condition.
 24. The school administration office must be notified immediately of the loss or damage to any hired item.
 25. Where a hired item is lost, not returned, or damaged, parents will be responsible for payment to the school of the value of the item or its repair.
 26. The replacement cost of any resource may be up to the maximum value (subject to depreciation where appropriate) of the acquisition cost to the school.
 27. Parents may be responsible for supplying their child with other resources not specified in the SRS as advised by the school.

Payment Arrangements

28. Payment of the participation fee may be made in whole, as per a nominated payment plan, or for another amount as approved by a Principal.
29. Payment of the participation fee must be made as per the payment methods nominated by the school.
30. Any concessions relating to the participation fee will be at the discretion of the Principal.

32. Non-payment of the participation fee by designated payment date(s) may result in debt recovery action in accordance with the Department's Debt Management Procedure <http://ppr.qed.qld.gov.au/corp/finance/accounts/Pages/Debt-Management.aspx>.

Parents' Experiencing Financial Hardship

33. Parents experiencing financial hardship who are currently participating in or wish to participate in the SRS should contact the school to discuss options.
34. Principals may vary payment options, negotiate alternative arrangements and/or waive all or part of the participation fee for parents experiencing financial hardship.
35. The onus of proof of financial hardship is on the parent.
36. The school may require annual proof of continuing financial hardship.
37. All discussions will be held in the strictest confidence.

— Respect, Integrity & Commitment —

Introduction to the State School Consent Form (attached) for Narangba Valley State High School.

This letter is to inform you about how we will use your child's personal information and student materials. It outlines:

- what information we record
- how we will use student materials created during your child's enrolment.

Examples of personal information which may be used and disclosed (subject to consent) include part of a person's name, image/photograph, voice/video recording or year level.

Your child's student materials:

- are created by your child whether as an individual or part of a team
- may identify each person who contributed to the creation
- may represent Indigenous knowledge or culture.

Purpose of the consent

It is the school's usual practice to take photographs or record images of students and occasionally to publish limited personal information and student materials for the purpose of celebrating student achievement and promoting the school and more broadly celebrating Queensland education.

To achieve this, the school may use newsletters, its website, traditional media, social media or other new media as listed in the 'Media Sources' section below.

The State School Consent Form may, at your discretion, provide consent for personal information and a licence for the student materials to be published online or in other public forums. It also allows your child's personal information and student materials to be presented in part or alongside other students' achievements.

The school needs to receive consent in writing before it uses or discloses your child's personal information or student materials in a public forum. The attached form is a record of the consent provided.

It should be noted that in some instances the school may be required by the *Education (General Provisions) Act 2006* (Qld) or by law to record, use or disclose the student's personal information or materials without consent (e.g. assessment of student materials does not require further consent).

Voluntary

There will not be any negative repercussions for not completing the State School Consent Form or for giving limited consent. All students will continue to receive their education regardless of whether consent is given or not.

Consent may be limited or withdrawn

Consent may be limited or withdrawn at any time by you.

If you wish to limit or withdraw consent please notify the school in writing (by email or letter). The school will confirm the receipt of your request via email if you provide an email address.

If in doubt, the school may treat a notice to limit consent as a comprehensive withdrawal of consent until the limit is clarified to the school's satisfaction.

The school may take down content that is under its direct control, however, published information and materials cannot be deleted and the school is under no obligation to communicate changes to consent with other entities/ third parties.

Instrumental Music Expression of Interest Form

Narangba Valley State High School's Instrumental Music Program is a vibrant and exciting co-curricular component of school life. Each student participates in a weekly lesson and rehearsal in an ensemble which caters to their musical ability. Performances are likely to include school events, tours/camps, competitions, festivals and local shows. There is a yearly SRS contribution to this program of \$50.00 per student.

Instrumental Music students are highly regarded in the school community. Most ensemble members are Gold Level students and all participants make lasting friendships across all year levels. Students are taught by qualified Instrumental Music Teachers and learn from the Department of Education Instrumental Music Curriculum.

There are a limited number of school instruments available for students to loan from the school. The instruments will be on loan to a particular student for a varying length of time, depending on their size and cost. Larger instruments, e.g. bass clarinet, euphonium, tuba, double bass, baritone saxophone, will be available for longer periods to an individual student.

Administration of medications in Queensland state schools: Information for parents/carers and health practitioners

This information sheet provides advice for parents/carers and their child's health practitioner/s regarding the documentation required for Queensland state schools to safely administer medication to students while they are at school or school-related activities.

All medications you provide for the school to administer to your child must be prescribed by a qualified health professional who is authorised to prescribe medications under the Health (Drugs and Poisons) Regulation 1996 (Qld) e.g. doctor, dentist, optometrist. State schools refer to these professionals as 'prescribing health practitioners' (practitioners).

A blank *Medication order to administer 'as-needed' medication at school* is provided on the last page.

Information for parents/carers

1. For all medications

For medication to be administered during school hours and/or during school-related events, provide the school with:

- a completed Consent to administer medication form.
- the medication with an attached pharmacy label, in its original container, with intact packaging.

2. Where no additional information is required from your practitioner

If your child requires medication at a routine time (e.g. 11am every day), the pharmacy label attached to the medication provides the school with the instructions from the doctor/dentist needed to safely administer the medication. Examples of routine medication include Ritalin, antibiotics, eye/ear drops, enzyme tablets and ointments.

No other written information from the prescribing health practitioner is required.

3. Where you will need additional written information from your practitioner

As well as using the pharmacy label instructions, the school will need additional written information from the prescribing health practitioner if your child:

- a. **requires medication as an emergency response.** Depending on your child's health condition, your doctor will need to complete:
 - an Asthma Action Plan and/or
 - an Anaphylaxis Action Plan and/or
 - written instructions if your child has more complex health needs.
- b. **requires insulin.** Your doctor will need to complete a medication order for insulin.
- c. **requires medication 'as-needed' (but not as an emergency response).** Your health practitioner will need to complete a *Medication order to administer 'as-needed' medication at school* (see page 3).
- d. **has their dosage changed from that on the pharmacy label.** Your health practitioner will need to write a letter for the school explaining the changes. To assist the school in safely administering the medication to your child, you are encouraged to have your pharmacist update the pharmacy label attached to the medication with the new dosage as soon as possible.

Information for prescribing health practitioners

Queensland state schools administer medications authorised by a qualified health practitioner (registered with the Australian Health Practitioner Regulation Agency) to support students' health needs if it is deemed that the administration of this medication is essential during school hours or school-related activities.

No further information or medical authorisation is required by the school where prescription medications are to be administered at a routine time during the day, have been dispensed by a pharmacist, and there is sufficient information on the pharmacy label to enable safe administration.

However, if you are prescribing medication as described below, please complete the relevant documentation and provide it to the parent/carer (or to the student if they are 18 years of age or older).

1. Emergency medication

Where medication is to be taken as an emergency response for asthma or anaphylaxis, please complete:

- an Asthma Action Plan and/or
- an ASCIA Anaphylaxis Action Plan.

2. Insulin

Due to the complexity of diabetes management, the school will require:

- a medication order for insulin (which provides medical authorisation) and
- a diabetes management plan developed by yourself and/or the diabetes treating team.

3. As-needed medication

Where medication is to be taken as needed in response to a student's symptoms (e.g. toothache, migraine), the school requires clear instructions to enable non-medically trained school staff to safely administer the medication.

The school will require:

- specific written instructions e.g. where school staff are required to administer medication as part of a health procedure (e.g. administration of medication through a gastrostomy tube) or
- a completed *Medication order to administer as-needed medication at school* (see page 3).

If you make subsequent changes to the student's medication dosage, or if instructions change from that described in a *Medication order to administer 'as-needed' medication at school* you have completed, please:

- update this medication order, initial and date the changes (if they are minor) or
- complete a new medication order.

4. Over-riding pharmacy label instructions

Where a student has been prescribed medication, but the medication dosage requirements change from that printed on the pharmacy label (e.g. from 1 tablet of Ritalin to ½ tablet of Ritalin), the school needs additional written information that includes all of the following:

- the name of the student
- the name of the medication
- the dosage change and the date the change is to be implemented from
- the prescribing health practitioner's signature and date, and
- attached evidence of the medical practice i.e. on a letterhead or stamp/sticker.

Please encourage the parent/carer to have their pharmacist update the pharmacy label attached to the medication with the new dosage as soon as possible.
