## Executive Team Report

Our Senior Celebration Showcase, held on Wednesday, 15 October, was a truly memorable evening that reflected the spirit, pride, and unity of our Narangba Valley community.

Thank you to everyone who joined us to recognise and celebrate our students' achievements. The night was a wonderful reminder of the talent, effort, and perseverance our students display each day — both in and beyond the classroom.

Congratulations to all award recipients. Your dedication, resilience, and pursuit of excellence continue to inspire us all. A special mention also goes to our student MCs, who guided the evening with confidence and enthusiasm — you represented our school beautifully.

To our 2025 student leaders, thank you for your service, leadership, and example. You have contributed so much to our school, and your influence will continue to shape the years ahead. At the same time, we warmly welcome our 2026 student leadership team. I look forward to seeing you grow into your roles and lead with integrity, empathy, and purpose.

As a community, we continue to live our motto — “Challenging the Future” — by preparing our young people to embrace new opportunities with courage and optimism.

Finally, I extend my heartfelt thanks to our teachers, staff, and families. Your support and partnership make evenings like this possible and ensure our students continue to thrive in a vibrant and connected learning community.

I look forward to celebrating our remarkable Junior Secondary learners and introducing our Junior Secondary student leaders at the Junior Celebration Showcase on Wednesday, 3<sup>rd</sup> of December.

# School Opinion Survey Snapshot

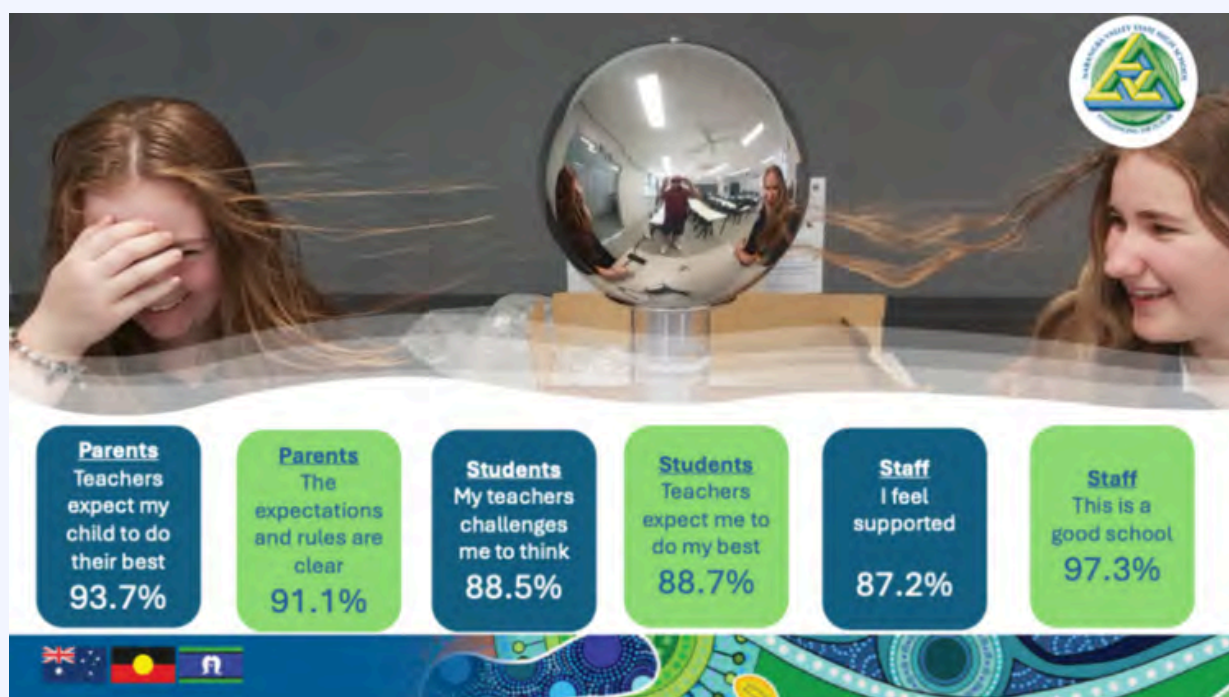

We have recently received the results from the 2025 School Opinion Survey, which provides valuable feedback from our students, staff, and parents across key areas such as school culture, safety, partnerships, and teaching and learning.

It is pleasing to see continued growth in several areas, reflecting the shared commitment of our community to making Narangba Valley State High School a place where everyone feels valued, supported, and challenged to achieve their best.

These results affirm much of the great work already happening across the school, while also helping us identify opportunities to further strengthen our practices. As always, we remain focused on listening, reflecting, and refining how we work together to create the best possible environment for our learners and staff.

Your voice matters. If you ever have feedback or ideas about how we can continue to improve, please don't hesitate to reach out. Together, we will continue to make NVSHS a school where every student can thrive.

Thank you for your ongoing partnership and support.

## Internal School Review

As Principal, I am always eager to seek feedback and explore opportunities to strengthen our school. The National School Improvement Tool (NSIT) provides a valuable framework for reflecting on our practices and identifying areas for continued growth. Recently, we undertook an internal school review focusing on six key domains:

- Domain 2: Analysis and Discussion of Data
- Domain 3: A Culture that Promotes Learning
- Domain 5: An Expert Teaching Team
- Domain 6: Systematic Curriculum Delivery
- Domain 8: Effective Pedagogical Practices
- Domain 9: School–Community Partnerships

This review allowed us to examine our progress, celebrate our successes, and identify areas for further improvement. The process brought together staff, students, and school leaders to reflect on evidence, share perspectives, and collaboratively plan the next steps in our improvement journey.

Insights from this review will guide our strategic priorities and ensure that Narangba Valley State High School continues to provide a high-quality, supportive, and future-focused learning environment for every student.

A summary of the key findings and affirmations from the review is included below.

## Narangba Valley State High School | Internal School Review

- ✓ The school is to be commended for a clearly articulated and widely understood explicit improvement agenda.
- ✓ Teachers are to be commended for confidently using the curriculum and syllabus to develop coherent plans and assessments that drive consistent and effective teaching.
- ✓ Staff are to be commended for their collegiality and collaborative practice, using shared planning and dialogue to strengthen teaching and learning.

### Consultation

Total of 135 interviews

3 community members and stakeholders

52 school staff

23 parents and carers

Each school review generates a number of key improvement strategies to inform continuous improvement in all state schools. The next steps are.....

- ✓ Systematically enact a data-informed whole school approach to moderation to drive the review and refinement of curriculum, provide early intervention by shaping teaching and learning to maximise outcomes for all students.
- ✓ Systematically enact and align all aspects of the COF and SPG process to school priorities by clearly defining the phases of reflection to foster professional growth.
- ✓ Embed continuous feedback processes to refine and enhance the staff organisational health plan, ensuring strategies are responsive to staff voice, data, and evolving needs.
- ✓ Broaden staff understanding of high impact strategies and curriculum specific pedagogies to support the implementation of the Steps for Success.
- ✓ Embed the *Know Your Learner* process in classroom practice by providing teachers with structured guidance, resources, and professional learning to translate learner data into differentiated teaching and targeted student support.
- ✓ Strengthen the implementation of the PACE framework by systematically taking feedback from families and staff to inform practices, refine communication, and further strengthen partnerships.

## Kirrawa Keeping Strong!

What a year 2025 has been for Kirrawa House! Winning the Athletics Carnival Champion House award for the third year in a row was certainly a highlight. Looking ahead, 2026 promises to be even bigger, with Kirrawa aiming for the trifecta and Champion House title.

## Thank You Kirrawa House Captains of 2025

A huge thank you to all our Kirrawa House Captains for their leadership this year. Best wishes to our departing senior captains, Callum and Austyn, and our outgoing junior captains, Lachlan and Georgie, who will pass the baton to the incoming 2026 captains after the Junior Celebration Showcase.

Throughout the year, many Kirrawa students participated in lunchtime activities, earning valuable House points. With Gala Days fast approaching, juniors have another chance to boost their RIC points before the year ends. Speaking of points, congratulations to the forty students who achieved over 1,000 points! Special recognition goes to Micah, who not only earned multiple awards at the Senior Celebration Showcase but also topped the House with an incredible 2,720 RIC points. Well done, Micah!

### Dash - President

Hello NVSHS community! My name is Dash, and I am your 2026 Senior SRC President. Some fun facts about me are that I love Drama, reading and doing improv with my friends.

I wanted to join the SRC because I want to make positive change and create lasting memories of my senior year. # Good News Story

Recently our very own NVSHS student Elijah (Year 11) proudly represented Boxing Queensland at the Under 19's National Titles held in Darwin — an event that brought together the best young boxers from across Australia!

Elijah fought exceptionally well, defeating the current undefeated NSW State Champion to advance to the semi-final, where he faced off against the reigning Australian Champion. Although he didn't progress to the final, Elijah showcased incredible determination, courage, and sportsmanship throughout the tournament.

We are incredibly proud of Elijah's achievements in representing Queensland and competing at such a high level. Congratulations, Elijah — your NVSHS family is behind you all the way!

# Good News Story

One of our amazing students, Monique (Year 11), recently represented Softball Queensland on an incredible 11-day tour to Japan as part of the Kochi Tour Group!

Monique has been dedicated to softball for an impressive 11 years, proudly playing with the Redcliffe Cougars Softball Club throughout her journey. Her commitment has seen her achieve amazing success — representing Redcliffe at State Titles, recently winning the U18 Women's State Championship, and is now aiming even higher — with her sights set on playing for Queensland and one day, Australia!

We are so proud of you, Monique — your dedication, passion, and achievements are an inspiration to our NVSHS community!
