Narangba Valley State High School Junior Aspire Application

What is the Junior Aspire program?

Junior Aspire is for primary students who show ability, initiative and a strong commitment, whether it is in academic prowess or in sporting, cultural or industrial pursuits. It is available to students in year 5 and 6 at local primary schools via an application process.

The program has three aims:

- To transition students seamlessly from primary school to high school
- To deliver a high quality program by dedicated specialist teachers
- To extend students creativity, critical thinking and collaboration

The program consists of a range of workshops, across a variety of disciplines, that Narangba Valley State High School is proud to facilitate. Students will be able to apply for one workshop that will run over a five week period, every Thursday, from 3:30pm until 5pm. The program start date is Thursday, 10 August.

How do I apply?

Students applying for the Junior Aspire program must:

- Complete the attached application form.
- Attach their most recent report card, which outlines their conduct and achievement.
- Return the completed application form and attachments by 24 July to:

Head of Junior Secondary
Narangba Valley State High School
PO Box 382
Narangba Valley, Qld, 4505

Successful applicants will be announced by 31 July, 2017

Successful students will be notified by letter.

Narangba Valley State High School is proud to offer the following programs through Junior Aspire in Term 3, 2017:

Hip-Hop Dance

Do you ever watch music videos and wish you could dance like that? Well come and join our new hip hop crew and get some new moves. We would like to invite Year 6 students to learn a hip hop dance routine over a 5 week period.

This great experience will finish with you getting to show off those new moves and feel like a star! You'll need to wear some cool street gear that you can move in and runners or dance shoes to groove in. If you want to show off these new moves and listen to some great music, sign up for the Aspire Hip Hop program.

Inspiring Drama Minds

Are you a shining star who is still waiting to be discovered? Are you the next Jennifer Lawrence or Theo James? Then Narangba Valley State High School Performing Arts Department want you!!! We would like to invite students from our primary schools to participate in an exciting opportunity to engage in a 5 week intensive drama and acting program. You will learn skills such as acting, voice, improvisation, theatre sports and clowning, as well as production and stagecraft, in an atmosphere of fun and friendship. This culminates in a performance which celebrates what you have learnt. If you love to perform or would like to gain a little more confidence, sign up for Aspire Drama. Everyone's a star in our club!

My Kitchen Rules

Do you fancy yourself a chef extraordinaire? Or would you like to just cook up a storm? We would love for you to come and enjoy our cooking challenges just like the MKR show on TV. Over a five week challenge, we will be learning how to use a kitchen safely, make a variety of yummy foods and even get to eat them all. Our judges will award points each week to our competing teams and we will have a grand final challenge in the last week that your parents can come and enjoy.

Movie Making

See yourself as the next big movie director or producer? Do you think you have what it takes to make it in Hollywood? Well join us in this great opportunity to learn some movie making skills and create a short film. You will be learning about different equipment, shot types and editing tricks that make a film just like a professional.

Hollywood, here we come!

Coding with Ozobots

Do you love computers? What about robots? How about controlling robots through code? Come along to our Coding with Ozobots workshops to learn what it takes to control these great little robots. You will get to compete against other coders with some challenges along the way.

Please return the completed application by 24 July, 2017.
