

Investing for Success

Under this agreement for 2018

Narangba Valley State High School will receive

\$619,700*

This funding will be used to

- Improve NAPLAN mean scale scores in Numeracy, Reading and Writing.
- Increase the percentage of students above NMS and within Upper Two Bands (U2B) in Reading and Numeracy.
- Prepare for the new Senior Assessment and Tertiary Entry system.
- Enhance pedagogy and student well-being to improve student outcomes.

Our initiatives include

- Embedding whole school strategies to improve literacy and numeracy through targeted professional development and use of literacy and numeracy coaches.
- Implementing various extension programs to increase the percentage of students in the U2B.
- Identifying students and creating targeted intervention classes for those currently below/near nation minimum benchmarks in reading and numeracy.
- Professional Learning for teachers in the school focus areas: Reading, Pedagogy and feedback
- Focussing on student attendance and well-being to improve student outcomes.

Our school will improve student outcomes by

Analysing student literacy/numeracy levels and creating targeted intervention classes (NMS students) or extension activities (U2B students), including the use of TAs.	209,700
Funding coaches to build capacity of staff in Literacy, Numeracy and Pedagogy	150,000
Enabling House Leaders to focus on student engagement and attendance to enhance student outcomes.	125,000
Allocating time for coordinators to review and refine curriculum	55,000
Developing the staff capacity through releasing staff for PD, coaching sessions and data analysis conversations.	50,000
Learning resources	30,000
